## **RULES – CLUB CHALLENGE BOARD - AMENDED**

All Games will be played on the following basis.

### **THE CHALLENGE**

1. A Challenger can only challenge a player up to 10 spots above themselves on the Challenge Ladder.
2. If the Challenger requires assistance contacting the person they wish to challenge, they can ask the Co-Ordinator for Contact details.
3. If the Challenged Player accepts the Challenge then the game is to be arranged at a suitable time for both parties and a Marker will need to be arranged by the Challenger.
4. No Umpires are required for these matches, however, if played on a day when an Umpire is available they can be asked to adjudicate if necessary.
5. If a Challenged Player is unavailable due to ill health or absence from the Club at that time, then the Challenger can wait for an appropriate time to play the Challenged Player or challenge the player next above in order to keep continuity.

### **THE CHALLENGED PLAYER**

1. The Challenged Player has the right of refusal to play any game, however, if they do refuse without a reasonable reason then they will be considered to have forfeited the match and the Challenger will take their place on the Challenge Board.
2. If on leave, sick or involved in other match play at the time of request, the Challenger can go to the next person on the list and if successful would then take that position on the ladder and the rest will drop down one position.

### **THE RULES**

2. Dead Ends apply.
3. Only the Challenger will pay Green Fees of \$10 for each match.
